STONE'S STORY CORROBORATED. Another One of the Wratten Murderers Makes a Confession.

WASHINGTON, Ind., Oct. 24 .- It is believed now that Stone's story regarding the murder of the Wratten family, implicating six men besides himself, is a lie from beginning to end, but he undoubtedly is one of the principals in the henious crime and made his confession in order to pave the way toward saving his own neck. No one believed that Stone was rolled on the bloody floor by the others in order to make his guilt apparent, but that he was covered with blood while taking an active hand in the butchery.

Oscar Brown, who was arrested a short time since as one of the murderers, was released from the state prison as Stone's confession did not implicate him in any way. Martin Yarborough, one of the murderers arrested Sunday, has made a confession and corroborates Stone's story in many points. Mrs. Stone has been brought to this city for safekeeping and to insure her appearance at the trial.

Our market opened up on Tuesday with fair offerings, and prices of Thursday and Friday of previous week were fully maintained. We had some manufacturers visiting the breaks, which gave some stimulation on Wednesday, with quite large sales, and the prices proved fairly satisfactory, still about 33 per cent. of the offerings were rejected. On Thursday we discovered no change —only fluctuating more on medium grades. The offerings on Friday being very small, the bidding was quite active, with no material advance, but the sales closed firm.

The demand for low grades still continues, and while we can not see what is done with them, for the past two years there has been an increasing demand. Sweet red tips are also doing very well. The careless bidding being mostly on the medium and good grades. The fancy grades are so limited that it is a hard matter to follow them very closely. Fifney prices are obtained when there is a demand, but the largest portion are sold at private sale. We see nothing to prevent a continuation of our present market the coming week.

The offerings during the week were 1,505 hhds; rejections, 440 hhds; actual sales, 1,665 hhds; receipts, 553 hhds.

	Sales for this week will be as follows: First Bodmann; third, Cincinnati; fourth, Walker filth, Morris; sixth, Miami; seventh, Globe.
